This definition of Adjusted Capital Account Deficit is intended to comply with the provisions of Treasury Regulation §1.704–1(b)(2)(ii)(d) and shall be interpreted consistently with that Regulation.

(b) “Company Minimum Gain” has the meaning set forth in Treasury Regulation §1.704–2(d)(1).

(e) “Member Nonrecourse Deductions” has the meaning set forth in Treasury Regulation §1.704–2(i)(2). For any Company fiscal year, the amount of Member Nonrecourse Deductions with respect to a Member Nonrecourse Debt equals the net increase during that fiscal year in Member Nonrecourse Debt Minimum Gain attributable to that Member Nonrecourse Debt during that fiscal year, reduced (but not below zero) by the amount of any distributions during that year to the Member bearing the economic risk of loss for Member Nonrecourse Debt if the distributions are both from the proceeds of the Member Nonrecourse Debt and are allocable to an increase in Member Nonrecourse Debt Minimum Gain attributable to the Member Nonrecourse Debt, all as determined according to the provisions of Treasury Regulation §1.704–2(i)(2). In determining Member Nonrecourse Deductions, the ordering rules of Treasury Regulation §1.704–2(j) shall be followed.

(f) “Nonrecourse Deductions” has the meaning set forth in Treasury Regulation §1.704–2(c). The amount of Nonrecourse Deductions for a Company fiscal year equals the net increase in the amount of Company Minimum Gain during that fiscal year, reduced (but not below zero) by the aggregate amount of any distributions during that fiscal year of proceeds of a Nonrecourse Liability that are allocable to an increase in Company Minimum Gain.

(g) “Nonrecourse Liability” has the meaning set forth in Treasury Regulation §1.752–1(a)(2).

4.4. The following special allocations shall be made in the following order:

(a) *Company Minimum Gain Chargeback*. If there is a net decrease in Company Minimum Gain during a fiscal year, each Member shall be allocated, before any other allocation under this Section, items of Company income and gain for the fiscal year equal to that Member’s share of the net decrease in Company Minimum Gain as determined in accordance with Treasury Regulation §1.704–2(g)(2).

(b) *Member Nonrecourse Debt Minimum Gain Chargeback*. If there is a net decrease in Member Nonrecourse Debt Minimum Gain during a fiscal year (as defined in the Regulations), any Member with a share of the Member Nonrecourse Debt Minimum Gain attributable to that Member’s Nonrecourse Debt as of the beginning of the fiscal year should be allocated items of Company income and gain for that year (and, if necessary, subsequent years) equal to that Member’s share of the net decrease in Member Nonrecourse Debt Minimum Gain. A Member’s share of net decrease in Member Nonrecourse Debt Minimum Gain shall be determined under

Treasury Regulation §1.704–2(g)(2). A Member shall not be subject to the foregoing chargeback to the extent permitted under Treasury Regulation §1.704–2(i)(4).

(c) *Qualified Income Offset.* If any Member unexpectedly receives an adjustment, allocation, or distribution described in Treasury Regulation §1.704–1(b)(2)(ii)(d)(4), (d)(5), or (d)(6), that Member shall be allocated items of Company income and gain (consisting of a prorata portion of each item of Company income, including gross income and gain for that fiscal year) in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Member as quickly as possible; provided that an allocation under this Section 4.4(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Agreement have been made as if this Section 4.4(c) were not in the Agreement.

(d) *Gross Income Allocation.* In the event any Member has a deficit Capital Account at the end of any Company fiscal year in excess of the sum of:

(1) The amount the Member is obligated to restore under any provision of this Agreement, and

(2) The amount the Member is deemed to be obligated to restore under Treasury Regulation §1.704–2(g)(1), (i)(5), each such Member shall be specially allocated items of Company income in the amount of the excess as quickly as possible; except that an allocation under this Section 4.4(d) shall be made only if and to the extent that the Member would have a deficit Capital Account in excess of that sum after all other allocations provided for in this Article 4 have been made as if Section 4.4(c) and this Section 4.4(d) were not in the Agreement.

(e) *Member Nonrecourse Deductions.* Any Member Nonrecourse Deductions for any Company fiscal year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which those Member Nonrecourse Deductions are attributable in accordance with Treasury Regulation §1.704–2(i)(1).

(f) *Nonrecourse Deductions.* Nonrecourse Deductions for any fiscal year shall be specially allocated in proportion to their respective allocations of Profits for that fiscal year.

(g) *Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Company asset under Internal Revenue Code §734(b) or §743(b) is required under Treasury Regulation §1.704–1(b)(2)(iv)(m)(2) or §1.704–1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of the Member’s interest in the Company, the amount of the adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis), and the gain or loss shall be specially allocated to the Members in accordance with their interests in the Company in the event that Treasury Regulation §1.704–1(b)(2)(iv)(m)(2) applies, or to the Partner to whom the distribution was made in the event that Treasury Regulation §1.704–1(b)(2)(iv)(m)(4) applies.

4.5. Member Nonrecourse Deductions for any fiscal year of the Company shall be allocated to the Members in the same proportion as Profits are allocated under Section 4.1, provided that any Member Nonrecourse Deductions for any fiscal year or other period shall be allocated to the Member who bears (or is deemed to bear) the economic risk of loss with respect to the Member

Nonrecourse Debt to which those Member Nonrecourse Deductions are attributable in accordance with Treasury Regulation §1.704–2(i)(2).

4.6. In any fiscal year of the Company, Profits in excess of Losses of the Company resulting from a Capital Event in that fiscal year shall be allocated to the Members in the following order:

(a) To Members whose Adjusted Capital Contributions are in excess of their Capital Accounts, in proportion to those excesses, until all of those excesses have been eliminated. “Adjusted Capital Contributions” means, with respect to each Member, the excess of that Member’s contribution to the capital of the Company over all prior distributions to the Member that have resulted from Capital Events.

(b) Among the Members in the proportion that the Capital Contribution of each Member bears to the total Capital Contributions of all Members.

4.7. In any Company fiscal year, Losses in excess of Profits of the Company, resulting from a Capital Event in that fiscal year, shall be allocated to the Members with positive Capital Accounts, in proportion to their positive Capital Account balances, until no Member has a positive Capital Account. For this purpose, Capital Accounts shall be reduced by the adjustments set forth in Treasury Regulation §1.704–1(b)(2)(ii)(d)(4)–(6).

4.8. Any Unrealized Appreciation or Unrealized Depreciation in the values of Company property distributed in kind to all the Members shall be treated in accordance with applicable law.

4.9. Any item of income, gain, loss, or deduction with respect to any property (other than cash) that has been contributed by a Member to the capital of the Company, or that has been revalued under the provisions of Article III, Section 3.5(g), and that is required or permitted to be allocated to the Member for income tax purposes under Internal Revenue Code §704(c) so as to take into account the variation between the tax basis of the property and its Fair Market Value at the time of its contribution, shall be allocated solely for income tax purposes in the manner required or permitted under Internal Revenue Code §704(c) using the “traditional” method described in Treasury Regulation §1.704–3(b), except that any other method allowable under applicable Regulations may be used for any contribution of property with respect to which there is agreement among the contributing Member and the Manager (and, if the Manager and the contributing Member are Affiliates, a Majority of Members who are not Affiliates of the Manager).

4.10. In the case of a Transfer of a Transferable Interest during any fiscal year of the Company, the Transferring Member and Transferee shall each be allocated Profits or Losses based on the number of days each of them held the Transferable Interest during that fiscal year. If the Transferring Member and Transferee agree to a different proration and advise the Manager of the agreed proration before the date of the Transfer, Profits or Losses from a Capital Event during that fiscal year shall be allocated to the holder of the Transferable Interest on the day the Capital Event occurred. If a Transferee makes a subsequent Transfer, the Transferee shall be considered a “Transferring Member” with respect to the subsequent Transferee for purposes of these allocations.

4.11. (a) The Gross Asset Value of all Company property shall be adjusted at the following times: (1) on the acquisition of an interest or additional interest in the Company by any new or existing Member in exchange for more than a de minimis Capital Contribution; (2) on the distribution of money or other property (other than a de minimis amount) by the Company to a Member as consideration for a Transferable Interest in the Company; and (3) on the liquidation of the Company within the meaning of Treasury Regulation §1.704–1(b)(2)(ii)(g), provided, however, that adjustments under clauses (1) and (2) above shall be made only in the event of a revaluation of Company property under Article III, Section 3.5(g) in accordance with Treasury Regulation §1.704–1(b)(2)(iv)(f).

(b) The Gross Asset Value of Company property shall be increased or decreased to reflect adjustments to the adjusted tax basis of the property under Internal Revenue Code §732, §733, or §743, subject to the limitations imposed by Internal Revenue Code §755 and Treasury Regulation §1.704–1(b)(2)(iv)(m).

(c) If the Gross Asset Value of an item of property has been determined or adjusted under Article I, Section 1.24, or subsection (a) or (b) of this Section 4.11, the Gross Asset Value shall be adjusted by the Book Depreciation, if any, taken into account with respect to that property for purposes of computing Profits and Losses.

4.12. It is the intent of the Members that each Member's allocated share of Company Tax Items be determined in accordance with this Agreement to the fullest extent permitted by Internal Revenue Code §704(b)–(c). Notwithstanding anything to the contrary in this Agreement, if the Company is advised that, as a result of the adoption of new or amended regulations under Internal Revenue Code §704(b)–(c), or the issuance of authorized interpretations, the allocations provided in this Agreement are unlikely to be respected for federal income tax purposes, the Manager is granted the power to amend the allocation provisions of this Agreement, on advice of accountants and legal counsel, to the minimum extent necessary for the allocation provisions to be respected for federal income tax purposes.

4.13. The parties intend that Available Cash shall be distributed as soon as practicable following the Manager's determination that cash is available for distribution. All distributions of Available Cash shall be made in accordance with the following order of priority:

- (a) First, to Wingsail Holdings, LLC, until its total cumulative distributions equal one hundred sixteen percent (116%) of its Capital Contribution;
- (b) Second, to the Members in proportion to their respective Membership Interests.

4.14. All Available Cash resulting from a Capital Event (as distinguished from normal business operations or the dissolution of the Company) shall be distributed to the Members in accordance with their respective Membership Interests as soon as practicable following the Manager's determination that cash is available for distribution.

4.15. If the proceeds from a sale or other disposition of an item of Company property consist of property other than cash, the value of that property shall be as determined by the Manager. If noncash proceeds are subsequently reduced to cash, that cash shall be taken into account by the

Manager in determining Available Cash and the Manager shall determine whether the cash has resulted from operations or from a Capital Event.

4.16. Notwithstanding any other provisions of this Agreement to the contrary, when there is a distribution in connection with a liquidation of the Company, or when any Member's interest is liquidated, all items of income and loss first shall be allocated to the Members' Capital Accounts under this Article IV, and other credits and deductions to the Members' Capital Accounts shall be made before the final distribution is made. The final distribution to the Members shall be made as provided in Article IX, Section 9.2(d) of this Agreement. The provisions of this Section 4.16 and Article IX, Section 9.2(d), shall be construed in accordance with the requirements of Treasury Regulation §1.704-1(b)(2)(ii)(b)(2).

ARTICLE V: MANAGEMENT

5.1. The business of the Company shall be managed by the Manager named in Article II, Section 2.9, or a successor Manager selected in the manner provided in Article V, Section 5.3. Except as otherwise set forth in this Agreement, all decisions concerning the management of the Company's business shall be made by the Manager.

5.2. The Manager shall serve until the earlier of (1) the Manager's resignation, retirement, death, or disability; (2) the Manager's removal by the Members; and (3) the expiration of the Manager's term as Manager, if a term has been designated by a Majority of Members. A new Manager shall be appointed by a Majority of Members on the occurrence of any of the foregoing events.

5.3. Each Manager shall be appointed by a Majority of Members for (a) a term expiring with the appointment of a successor, or (b) a term expiring at a definite time specified by a Majority of Members in connection with the appointment. A Manager who is not also a Member may be removed with or without cause at any time by action of a Majority of Members. A Manager who is a Member may be removed only on the Vote of all other Members. Any removal of a Manager shall be without prejudice to the rights of the Manager, if any, under an employment contract.

5.4. The Manager shall have the powers and duties described in Section 5.8 of this Agreement and any other powers and duties that may be prescribed in this Agreement or by the Members. Notwithstanding the foregoing, the Manager shall not take any of the following actions on behalf of the Company unless a Majority of Members has consented to the taking of that action.

- (a) Any act that would make it impossible to carry on the ordinary business of the Company;
- (b) Any confession of a judgment against the Company;
- (c) The dissolution of the Company;
- (d) The disposition of all or a substantial part of the Company's assets not in the ordinary course of business;
- (e) The incurring of any debt not in the ordinary course of business;

- (f) A change in the nature of the principal business of the Company;
- (g) The filing of a petition in bankruptcy or entering into an arrangement among the Company's creditors; and
- (h) The entering into, on behalf of the Company, of any transaction constituting a "reorganization" within the meaning of Corporations Code §17711.01.

5.5. It is acknowledged that the Manager has other business interests to which the Manager devotes part of the Manager's time. The Manager shall devote as much time to the conduct of the business of the Company as the Manager, in the Manager's own good faith and discretion, deems necessary.

5.6. The Manager shall receive as compensation for the Manager's services the sum of One Thousand Dollars (\$1,000) per month.. The Company shall reimburse the Manager for all expenses reasonably incurred by the Manager in the performance of the Manager's duties.

5.7. The Manager may provide for one or more officers of the Company and shall establish the powers, duties, and compensation of all such officers.

5.8. The Manager shall cause all assets of the Company, whether real or personal, to be held in the name of the Company.

5.9. All funds of the Company shall be deposited in one or more accounts with one or more recognized financial institutions in the name of the Company, at locations determined by the Manager. Withdrawal from those accounts shall require only the signature of the Manager or any other person or persons as the Manager may designate.

5.10. Commencing February 1st, 2019, the Company has retained SEFED, Inc., a California corporation ("SEFED"); Fu-Shen Chang , an individual ("Chang") or an assignee, and Peter Van Petten, an individual ("Van Petten") or an assignee to provide consulting services in connection with the organization and business strategy of the Company. As compensation for these services, the Company shall make the following monthly payments while the Company is managing and/or operating at least one drug and alcohol treatment program: (i) to SEFED or its assignee, the sum of Four Thousand Dollars (\$4,000); (ii) to Fu-Shen Chang or its assignee, the sum of Four Thousand Dollars (\$4,000); and (iii) to Van Petten or his assignee, the sum of Three Thousand Dollars (\$3,000).

ARTICLE VI: ACCOUNTS AND ACCOUNTING

6.1. Complete books of account of the Company's business, in which each Company transaction shall be fully and accurately entered, shall be kept at the Company's principal executive office and at other locations that the Manager shall determine from time to time, and shall be open to inspection and copying on reasonable Notice by any Member or the Member's authorized representatives during normal business hours. The costs of inspection and copying shall be borne by the Member.

6.2. Financial books and records of the Company shall be kept on the cash method of accounting, which shall be the method of accounting followed by the Company for federal tax purposes. The financial statements of the Company shall be prepared in accordance with generally accepted accounting principles and shall be appropriate and adequate for the Company's business and for carrying out the provisions of this Agreement. The fiscal year of the Company shall be January 1 through December 31.

6.3. At all times during the term of existence of the Company, and beyond that term if the Manager deems it necessary, the Manager shall keep or cause to be kept the books of account referred to in Section 6.2, together with:

- (a) A current list of the full name and last known business or residence address of each Member and Transferee, together with the Capital Contribution and the share in Profits and Losses of each Member and Transferee;
- (b) A current list of the full name and business or residence address of each Manager;
- (c) A copy of the Articles of Organization, as amended;
- (d) Copies of the Company's federal, state, and local income tax or information returns and reports, if any, for the six most recent tax years;
- (e) An original executed copy or counterparts of this Agreement, as amended;
- (f) Any powers of attorney under which the Articles of Organization or this Agreement or any amendments to the Articles of Organization or this Agreement were executed;
- (g) Financial statements of the Company for the six most recent fiscal years; and
- (h) The books and Records of the Company as they relate to the Company's internal affairs for the current and past four fiscal years.

If the Manager deems that any of the foregoing items shall be kept beyond the term of existence of the Company, the repository of those items shall be as designated by the Manager.

6.4. At the end of each fiscal year, the books of the Company shall be closed and examined, statements reflecting the financial condition of the Company and its Profits or Losses shall be prepared, and a report about those matters shall be issued by the Company's certified public accountants. Copies of the financial statements shall be given to all Members. In addition, all Members shall receive, not less frequently than at the end of each calendar quarter, copies of such financial statements regarding the previous calendar quarter as may be prepared in the ordinary course of business by the Manager or accountants selected by the Manager. The Manager shall cause an annual report to be sent to each Member within 120 days after the end of the fiscal year of the Company. The annual report may be sent by electronic transmission by the Company and shall include:

- (a) A balance sheet and income statement, and a statement of cash flows of the Company as of the close of the fiscal year; and

(b) A statement showing the Capital Account of each Member as of the close of the fiscal year and the distributions, if any, made to each Member during the fiscal year. Any Member may request interim balance sheets and income statements, and may, at their own discretion and expense, obtain an audit of the Company books by certified public accountants selected by them; provided, however, that not more than one such audit shall be made during any fiscal year of the Company.

6.5. Within 90 days after the end of each taxable year of the Company, the Manager shall send to each of the Members and Transferees all information necessary for the Members and Transferees to complete their federal and state income tax or information returns and a copy of the Company's federal, state, and local income tax or information returns for that year.

6.6. The Manager shall act as Partnership Representative under Internal Revenue Code §6223(a).

6.7. The Partnership Representative shall have the authority, and the Members shall have the obligations, described in the following subsections.

(a) For purposes of this Section 6.7, all references to sections of the Internal Revenue Code are to the Internal Revenue Code provisions enacted by the Bipartisan Budget Act of 2015 (Pub L 114-74, 129 Stat 584), as such provisions may subsequently be amended.

(b) The obligations of each Member or former Member under this Section 6.7 shall survive the transfer or redemption by a Member of its Membership Interest and the termination of this Agreement or the dissolution of the Company.

(c) The Partnership Representative, in its sole discretion, shall have the right to make on behalf of the Company any and all elections and take any and all actions that are available to be made or taken by the Partnership Representative or the Company (including, if applicable, any election under Internal Revenue Code §6226(a)). The Members shall take any and all actions requested by the Partnership Representative consistent with any elections made and actions requested by the Partnership Representative, including, without limitation, filing amended tax returns and paying any tax or adjustment due.

(d) No later than 10 business days after the Partnership Representative has knowledge of any audit or proceeding concerning the Company, the Partnership Representative shall notify the Members of the existence of such audit or proceeding. Each Member shall have the right to have a tax advisor of its own choosing participate in, but not direct, the prosecution or defense of such audit or proceeding at such Member's sole expense. The Partnership Representative shall make commercially reasonable efforts to facilitate such tax advisor's participation.

(e) The Members and the Company acknowledge that the Company is currently qualified under Internal Revenue Code §6221(b) to elect out of Subchapter C of Chapter 63 of the Internal Revenue Code. The Members and the Company agree not to take any action that would cause the Company to lose its eligibility to elect out of Subchapter C of Chapter 63 of the Internal Revenue Code. Each Member further agrees not to sell or otherwise transfer a membership interest to any Person that would cause the Company to lose its eligibility to elect out of Subchapter C of Chapter 63 of the Internal Revenue Code, including, without limitation, a transfer to any entity

classified as a partnership or a trust for federal income tax purposes. Any sale or transfer in contravention of this paragraph shall be void ab initio. Any Member that is taxable as an “S corporation” (as defined in Internal Revenue Code §1361(a)(1)) agrees to provide the Company with the name and taxpayer identification number of each Person with respect to which that Member is required to furnish a statement under Internal Revenue Code §6037(b) for the taxable year for which the election out of Subchapter C of Chapter 63 of the Internal Revenue Code is made.

(f) To the extent that the Partnership Representative does not make the election under Internal Revenue Code §6226(a) with respect to a material imputed underpayment amount (determined in the Partnership Representative’s sole discretion), the Partnership Representative shall use commercially reasonable efforts to (i) make any modifications available under Internal Revenue Code §6225(c)(3), (4), and (5), and (ii) if requested by a Member, provide to such Member information allowing such Member to file an amended federal income tax return, as described in Internal Revenue Code §6225(c)(2), to the extent such amended return and payment of any related federal income taxes would reduce any taxes payable by the Company with respect to the imputed underpayment amount (after taking into account any modifications described in clause (i)).

ARTICLE VII: MEMBERSHIP—

MEETINGS, VOTING, INDEMNITY

7.1. There shall be only one class of membership and no Member shall have any rights or preferences in addition to or different from those possessed by any other Member, except as specifically provided in Article IV. Members shall have the right and power to appoint, remove, and replace Managers of the Company and the right to Vote on all other matters to which they are so entitled under this Agreement or under the Act (unless modified by this Agreement or unless the Act does not permit modification by an operating agreement). Each Member shall Vote in proportion to the Member’s Membership Interest as of the governing record date, determined in accordance with Section 7.2. If a Member has transferred all or part of the Member’s Transferable Interest to a person who has not been admitted as a Member, the Transferring Member shall Vote in proportion to the Membership Interest that the Transferring Member would have had if the transfer had not been made.

Without limiting the foregoing, all of the following acts shall require the Vote of a Majority of the Members:

- (a) The Transfer of a Membership Interest and the admission of the Transferee as a Member of the Company;
- (b) Any amendment of the articles of organization;
- (c) A compromise of the obligation of a Member to make a Capital Contribution under Article III; and
- (d) The admission of a new Member of the Company.

7.2. The record date for determining the Members entitled to receive Notice of any meeting, to Vote, to receive any distribution, or to exercise any right in respect of any other lawful action, shall be the date set by the Manager or by a Majority of Members; provided that the record date shall not be more than 60, or less than 10 calendar days before the date of the meeting and not more than 60 calendar days before any other action. In the absence of any action setting a record date, the record date shall be determined in accordance with Corporations Code §17704.07(p).

7.3. Membership Interests will not be evidenced by certificates.

7.4. Meetings of the Members may be called at any time by the Manager, or by Members representing more than 5 percent of the Membership Interests of the Members, for the purpose of addressing any matters on which the Members may Vote. If a meeting of the Members is called by the Members, Notice of the call shall be delivered to the Manager. Meetings may be held at the principal executive office of the Company or at any other location designated by the Manager. Following the call of a meeting, the Manager shall give Notice of the meeting not less than 10, nor more than 60, calendar days before the meeting date to all Members entitled to Vote at the meeting. The Notice shall state the place, date, and hour of the meeting, the means of electronic transmission by and to the Company or electronic video communication, if any, and the general nature of business to be transacted. No other business may be transacted at the meeting. A quorum at any meeting of Members shall consist of a Majority of Members, represented in person or by Proxy. The Members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of a sufficient number of Members to leave less than a quorum, if the action taken, other than adjournment, is approved by the requisite Membership Interest of Members as specified in this Agreement or the Act.

7.5. A meeting of Members at which a quorum is present may be adjourned to another time or place and any business that might have been transacted at the original meeting may be transacted at the adjourned meeting. If a quorum is not present at an original meeting, that meeting may be adjourned by the Vote of a majority of Voting Interests represented either in person or by Proxy. Notice of the adjourned meeting need not be given to Members entitled to Notice if the time and place of the adjourned meeting are announced at the meeting at which the adjournment is taken, unless (a) the adjournment is for more than 45 days, or (b) after the adjournment, a new record date is fixed for the adjourned meeting. In the situations described in clauses (a) and (b), Notice of the adjourned meeting shall be given to each Member of record entitled to Vote at the adjourned meeting.

7.6. The transactions of any meeting of Members, however called and noticed, and wherever held, shall be as valid as though consummated at a meeting duly held after regular call and notice, if (a) a quorum is present at that meeting, either in person or by Proxy, and (b) either before or after the meeting, each of the persons entitled to Vote, not present in person or by Proxy, signs either a written waiver of notice, a consent to the holding of the meeting, or an approval of the minutes of the meeting. Attendance of a Member at a meeting shall constitute waiver of notice, unless that Member objects, at the beginning of the meeting, to the transaction of any business on the ground that the meeting was not lawfully called or convened. Attendance at a meeting is not a waiver of any right to object to the consideration of matters required to be

described in the notice of the meeting and not so included, if the objection is expressly made at the meeting.

7.7. At all meetings of Members, a Member may Vote in person or by Proxy. The Proxy shall be filed with the Manager before or at the time of the meeting, and may be filed by facsimile transmission or electronic transmission to the Manager at the principal executive office of the Company or any other address given by the Manager to the Members for those purposes.

7.8. A meeting of the Members may be conducted, in whole or in part, by electronic transmission by and to the Company or by electronic video communication if (1) the Company implements reasonable measures to provide Members (in person or by Proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the Members, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings, and if (2) any Member Votes or takes other action at the meeting by means of electronic transmission to the Company or electronic video communication, a record of that vote or action is maintained by the Company.

7.9. Any action that may be taken at any meeting of the Members may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by Members having not less than the minimum number of Votes that would be necessary to authorize or take that action at a meeting at which all Members entitled to Vote were present and voted. If the Members are requested to consent to a matter without a meeting, each Member shall be given notice of the matter to be voted on in the manner described in Section 7.4. Any action taken without a meeting shall be effective when the required minimum number of Votes have been received. Prompt Notice of the action taken shall be given to all Members who have not consented to the action.

7.10. No Member acting solely in the capacity of a Member is an agent of the Company, nor can any Member acting solely in the capacity of a Member bind the Company or execute any instrument on behalf of the Company. Accordingly, each Member shall indemnify, defend, and hold harmless each other Member and the Company from and against any and all loss, cost, expense, liability, or damage arising from or out of any claim based on any action by the Member in contravention of the first sentence of this Section 7.10.

ARTICLE VIII: DISSOCIATION OF MEMBERS AND TRANSFERS OF MEMBERSHIP INTERESTS

8.1. A Member may dissociate from the Company at any time by giving Notice of dissociation to all other Members and the Manager at least 30 calendar days before the effective date of dissociation. Dissociation shall not release a Member from any obligations and liabilities under this Agreement accrued or incurred before the effective date of dissociation. A dissociating Member shall divest the Member's entire Membership Interest before the effective date of dissociation in accordance with and subject to the provisions of this Article VIII.

8.2. A Member may Transfer any part of the Member's Membership Interest in the Company, whether now owned or later acquired, unless the Membership Interest to be Transferred, when

added to the total of all other Membership Interests Transferred in the preceding 12 months, shall cause the termination of the Company under the Code.

8.3. A prospective transferee (other than an existing Member) of a Membership Interest shall be admitted as a Member with respect to the Membership Interest (Substituted Member) on the prospective transferee's executing a counterpart of this Agreement to become a party to it. Any prospective transferee of a Membership Interest shall be deemed a Transferee, and, therefore, the owner of only a Transferable Interest until the prospective transferee has been admitted as a Substituted Member. Until the Transferee becomes a Substituted Member, the Transferring Member shall continue to be a Member and have the power to exercise any rights and powers of a Member under this Agreement, including the right to Vote in proportion to the Membership Interest that the Transferring Member would have had if the transfer had not been made.

8.4. Any person admitted to the Company as a Substituted Member is subject to all the provisions of this Agreement that apply to the Member from whom the Membership Interest was transferred, except that the transferring Member shall not be released from liabilities as a Member solely as a result of the transfer, both with respect to obligations to the Company and to third parties incurred before the transfer.

8.5. The initial sale of Membership Interests in the Company to the Initial Members has not been qualified or registered under the securities laws of any state, including California, or registered under the Securities Act of 1933, in reliance on exemptions from the registration provisions of those laws. Notwithstanding any other provision of this Agreement, Membership Interests may not be Transferred unless registered or qualified under applicable state and federal securities laws unless, in the opinion of legal counsel satisfactory to the Company, qualification or registration is not required. A Member who desires to transfer a Membership Interest shall be responsible for all legal fees incurred in connection with that opinion.

ARTICLE IX: DISSOLUTION AND WINDING UP

9.1. The Company shall be dissolved on the first to occur of the following events:

- (a) The written agreement of 50 percent or more of the voting interests of Members to dissolve the Company.
- (b) The sale or other disposition of substantially all of the Company's assets.
- (c) Entry of a decree of judicial dissolution under Corporations Code §17707.03.

9.2. On the dissolution of the Company, the Company shall engage in no further business other than that necessary to wind up the business and affairs of the Company. The Manager or, if there is no Manager, the Members, shall wind up the affairs of the Company. The Manager or Members winding up the affairs of the Company shall give Notice of the commencement of winding up by mail to all known creditors and claimants against the Company whose addresses appear in the records of the Company. After paying or adequately providing for the payment of

all known debts of the Company, the remaining assets of the Company shall be distributed or applied in the following order:

(a) To pay the expenses of liquidation;

(b) To the establishment of reasonable reserves for contingent liabilities or obligations of the Company. On the determination that reserves are no longer necessary, they shall be distributed as provided in this Section 9.2;

(c) Among the Members with Positive Capital Account Balances as provided in Article IV, Section 4.16.

9.3. Each Member shall look solely to the assets of the Company for the return of the Member's investment, and if Company property remaining after the payment or discharge of the Company's debts and liabilities is insufficient to return the investment of each Member, the Member shall have no recourse against any other Members for indemnification, contribution, or reimbursement, except as specifically provided in this Agreement.

ARTICLE X: NONCOMPETITION

10.1. Each Member covenants with the Company and each other Member that on the Transfer of the Member's Membership Interest, whether voluntary, involuntary, by operation of law, or by reason of any provision of this Agreement, the Member shall not, directly or indirectly, through an Affiliate or otherwise, solicit the business of any current clients of the Company.

ARTICLE XI:

INDEMNIFICATION AND ARBITRATION

11.1. The Company shall indemnify any Person who was or is a party, or who is threatened to be made a party, to any Proceeding by reason of the fact that the Person was or is a Member, Manager, officer, employee, or other agent of the Company, or was or is serving at the request of the Company as a director, officer, employee, or other Agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by that Person in connection with the proceeding, if that Person acted in good faith and in a manner that the Person reasonably believed to be in the best interests of the Company, and, in the case of a criminal proceeding, the Person had no reasonable cause to believe that the Person's conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Person did not act in good faith and in a manner that the Person reasonably believed to be in the best interests of the Company, or that the Person had reasonable cause to believe that the Person's conduct was unlawful.

To the extent that an agent of the Company has been successful on the merits in defense of any Proceeding, or in defense of any claim, issue, or matter in any Proceeding, the agent shall be indemnified against expenses actually and reasonably incurred in connection with the Proceeding.

“Agent,” as used in this Section 11.1, shall include a trustee or other fiduciary of a plan, trust, or other entity or arrangement described in Corporations Code §207(f).

“Proceeding,” as used in this Section 11.1, means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative.

Expenses of each Person indemnified under this Agreement actually and reasonably incurred in connection with the defense or settlement of a proceeding shall be paid by the Company in advance of the final disposition of the proceeding. “Expenses,” as used in this Section 11.1, includes, without limitation, attorney fees and expenses of establishing a right to indemnification, if any, under this Section 11.1.

11.2. Any action to enforce or interpret this Agreement, or to resolve disputes over this Agreement between the Company and a Member, or between or among the Members, shall be settled by arbitration in accordance with the rules of the American Arbitration Association. Arbitration shall be the exclusive dispute resolution process in the state of California, but arbitration shall be a nonexclusive process elsewhere. Any party may commence arbitration by sending a written demand for arbitration to the other parties. The demand shall set forth the nature of the matter to be resolved by arbitration. The Manager shall select the place of arbitration. The substantive law of the state of California shall be applied by the arbitrator to the resolution of the dispute. The parties shall share equally all initial costs of arbitration. The prevailing party shall be entitled to reimbursement of attorney fees, costs, and expenses incurred in connection with the arbitration. All decisions of the arbitrator shall be final, binding, and conclusive on all parties. Judgment may be entered on any such decision in accordance with applicable law in any court having jurisdiction of it. The arbitrator (if permitted under applicable law) or the court may issue a writ of execution to enforce the arbitrator’s decision.

ARTICLE XII:

ATTORNEY-IN-FACT AND AGENT

12.1. Each Member, by execution of this Agreement, irrevocably constitutes and appoints each Manager and any of them acting alone as the Member’s true and lawful attorney-in-fact and agent, with full power and authority in the Member’s name, place, and stead to execute, acknowledge, and deliver, and to file or record in any appropriate public office: (a) any certificate or other instrument that may be necessary, desirable, or appropriate to qualify the Company as a limited liability company or to transact business as one in any jurisdiction in which the Company conducts business; (b) any certificate or amendment to the Company’s articles of organization or to any certificate or other instrument that may be necessary, desirable, or appropriate to reflect an amendment approved by the Members in accordance with the provisions of this Agreement; (c) any certificates or instruments that may be necessary, desirable, or appropriate to reflect the dissolution and winding up of the Company; and (d) any

certificates necessary to comply with the provisions of this Agreement. This power of attorney shall be deemed to be coupled with an interest and shall survive the Transfer of the Member's Transferable Interest. Notwithstanding the existence of this power of attorney, each Member agrees to join in the execution, acknowledgment, and delivery of the instruments referred to above if requested to do so by a Manager. This power of attorney is a limited power of attorney and does not authorize any Manager to act on behalf of a Member except as described in this Article XII.

ARTICLE XIII: GENERAL PROVISIONS

13.1. This Agreement constitutes the whole and entire agreement of the parties with respect to its subject matter. This Agreement replaces and supersedes all prior written and oral agreements by and among the Members and Managers or any of them.

13.2. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Executed counterparts of this agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart had been delivered to the other party in person.

13.3. This Agreement shall be construed and enforced in accordance with the laws of the state of California. If any provision of this Agreement is determined by any court of competent jurisdiction or arbitrator to be invalid, illegal, or unenforceable to any extent, that provision shall, if possible, be construed as though more narrowly drawn, if a narrower construction would avoid that invalidity, illegality, or unenforceability or, if that is not possible, the provision shall, to the extent of that invalidity, illegality, or unenforceability, be severed, and the remaining provisions of this Agreement shall remain in effect.

13.4. This Agreement shall be binding on and inure to the benefit of the parties and their heirs, personal representatives, and permitted successors and assigns.

13.5. Whenever used in this Agreement, the singular shall include the plural and the plural shall include the singular, and the neuter gender shall include the male and female as well as a trust, firm, company, or corporation, all as the context and meaning of this Agreement may require.

13.6. The parties to this Agreement shall promptly execute and deliver any and all additional documents, instruments, notices, and other assurances, and shall do any and all other acts and things reasonably necessary in connection with the performance of their respective obligations under this Agreement and to carry out the intent of the parties.

13.7. Except as provided in this Agreement, no provision of this Agreement shall be construed to limit in any manner the Members in the carrying on of their own respective businesses or activities.

13.8. Except as provided in this Agreement, no provision of this Agreement shall be construed to establish a Member as the agent of any other Member.

13.9. Each Member represents and warrants to the other Members that the Member has the capacity and authority to enter into this Agreement.

13.10. The article, section, and subsection titles and headings in this Agreement are inserted as matters of convenience and for ease of reference only and shall be disregarded for all other purposes, including the construction or enforcement of this Agreement or any of its provisions.

13.11. This Agreement may be altered, amended, or repealed only by a Writing signed by all of the Members.

13.12. Time is of the essence for every provision of this Agreement that specifies a time for performance.

13.13. SEFED, Fu-Shen Chang and Peter Van Petten and their respective designees and assignees are third-party beneficiaries of this Agreement.

{signature page follows}

IN WITNESS WHEREOF, the parties have executed or caused to be executed this Agreement on the day and year first above written. The parties hereby acknowledge and consent to the modification of fiduciary duties of the Managers as set forth in this Agreement.
